Bon Ton
Napa Valley
Red Wine

Bon Ton Napa Valley is an expression of a blend of grapes grown on and around our estate vineyard in Carneros. Grown in our sandy Haire loam soil with extremely low yields, and aged in all neutral French oak barrels for 24 months, then bottled by hand at the winery - Bon Ton Napa Valley derives its name and label artwork from the French fashion magazine *Gazette du Bon Ton*, originally published between 1912 and 1925 in Paris depicting the haute couture of top designers. The highlights of the magazine were the ten to twelve fashion plates published in each issue. Our label represents one of these original fashion plates. “Bon Ton” means “good style,” in French but more broadly refers to fashionable society.

BLEND:

56% MERLOT
