

# CROSBY ROAMANN

**2022**

## PINOT NOIR PETALUMA GAP

Crosby Roamann is a boutique family winery crafting sophisticated, small production wines by hand in the Napa Valley. This Petaluma Gap Pinot Noir ferments on native yeast for two weeks and ages eighteen months in new French oak barrels.

Fresh and ripe strawberry and rhubarb with a touch of dark cocoa and crushed red peppers lead to black tea and black olive tapenade on the finish. Delightful now, the wine will gain complexity over the next seven years.
